Dear Mr. Tarkanish:

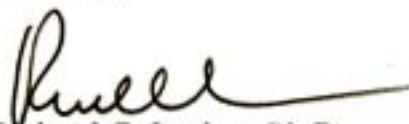

Thank you very much for your generous contribution of your in kind donation of the band Long Shot to SCARC as a sponsor of our 1st Annual Walkathon fundraiser that was held at the Sussex County Fairgrounds on May 18, 2003. Your support of our event means more services to children and adults with developmental disabilities in Sussex County.

Please remember that your contribution will be used to support Sussex County based services including family support, respite care, recreation, residential, vocational, and other community services.

We really appreciate your financial support and hope that you will continue to support SCARC's services in the future. We are the largest nonprofit organization serving persons with developmental disabilities and their families in our county. Your contribution will be put to very productive use. No goods or services were exchanged for your donation to SCARC.

Thank you again for being a part of our very successful fundraiser and for your support of SCARC.

Sincerely,

Richard C. Lecher, Ph.D.
Executive Director
